Remember when Background Music was expensive and strictly for "Big Business"?

Now from 3M, there's a quality background music system *any* business or profession can afford—regardless of size or location!

For the first time, you can purchase the entire system outright: *Equipment* (player, speakers, amplifiers, microphone for paging) customized to your location by a 3M specialist. *Tape music library* best suited to

your needs. And—*full music playing rights* (a 3M exclusive). Result: No burdensome lease, with payments month after month. The 3M Brand "Cantata" 700 music system is completely automatic. Just press a button—music is continuous. No tape handling, no rewinding, no threading.

Two types of libraries are available—*Melodic* and *Rhythmic*—to create the exact mood you need. 700 selections in each library without a title repeat. Unmatched high

fidelity from the world's leader in recording tape.

3M Background Music lets you bring out the best in people!

Depending on your goals, you can use it to soothe, stimulate or sell. Total purchase price is only about the same as one month's salary for an experienced secretary.

You can get full details without cost or commitment—ask about a free trial. Simply mail us the coupon above and we'll send you free descriptive literature.

**Women buy more than half of all men's socks.
It's about time they found out how socks should feel.**

Let your wife try on Jerks Socks made with Marvess® olefin in combinations with other fibers. She may feel foolish, but her feet will feel comfortable.

The difference between ordinary socks and Jerks Socks made with Marvess is comfort. Marvess makes Jerks Socks soft and luxurious. It adds wicking action which draws moisture away from your skin. Your feet won't feel damp and clammy. They stay dry and comfortable.

Jerks Socks go to all lengths to please a guy. Crew, ankle, Over-the-calf dress socks.

And no matter what style and colors you like, or she buys, they're easy to wash. They dry very quickly. Stay soft washing after washing. Jerks Socks with Marvess wear better longer and keep their shape.

Now, if you can't get your wife to try on a pair of these Jerks Socks, at least have her read this ad. Maybe she'll get the message and get Jerks Socks made with Marvess for you.

Only \$1.00 to \$2.00
a pair can buy
a lot of comfort.

why not get the best

Zenith is the Handcrafted TV.

Every chassis connection is handwired—carefully, skillfully—for unrivaled dependability, fewer service problems and longer TV life. There are no printed circuits. No production shortcuts.

Skilled craftsmen build Zenith TV with capacity-plus components throughout—components that exceed maximum circuit requirements—so they're never overworked. So they last longer. Every chassis component is firmly fastened to a rugged metal base with up to 200 times greater heat conductivity than printed circuit boards.

And Zenith is proud to offer you many exclusive TV advances like the Super Gold Video Guard tuning system with more than a hundred corrosion-resistant 16-carat gold-filled contacts for a sharper, clearer picture years and years longer.

See the complete line of Zenith TV—many models with Space Command® Remote Control—at your dealer's now. At Zenith, the quality goes in before the name goes on®.
